- **Earth Day**

### Signs of Cohousing Springing Up

#### The Courtesy Sign Is Up

A sign—literally—of progress on our project! As required by the City of Fremont, we have now posted the courtesy notice that precedes the public hearing at Planning Commission.

We expect that hearing to take place no later than June. Stay tuned for progress on this exciting development.

**SHELLY'S FIRST THREE MONTHS IN COHOUSING...**

**FEATURING:**

- Virtual tour of a new cohousing home including tips on downsizing
- The heart of cohousing
- And more

**APRIL 4, TUESDAY 5:30 - 6:30 PM (PT)**

Mission Peak Cohousing Village is one of the few groups that have been invited to join Shelly Parks on a virtual tour of her new cohousing home and take a peek at what life is like "after move-in." It's a unique opportunity to check out what it looks like to live in a cohousing community.

Come hear how one couple chose to "right-size" space and lifestyle for the next stage of their lives together.

This is online and will run approximately 1 hour. Register for Zoom code.

### Learn About Mission Peak Thursday, April 4 at 6:00pm PDT online

Come find out about the progress of our growing cohousing community and meet some of the folks moving in. We invite you to join us for an online "Learn About," where we will share details of our project such as timeline, projected home prices, and more. You'll have the opportunity to ask questions about our group.

Hope to see you there!

### Come visit our Earth Day Booth

**Cohousing: Living Lighter on the Planet, April 22, 11am-3pm**

Mission Peak Village will have an exhibit booth at the April 22 Earth Day event. Our theme is "Living Lighter on the Planet in Cohousing." Drop by and see us between 11:00 am and 3:00 pm. Come learn about our plans for:

- on-site composting
- recycling... even the hard-to-recycle items!
- group norms for borrowing and lending before buying
- making it easier to walk, bike, and take public transportation.

### COMING SOON....

**Mission Peak is hosting Cohousing University in May.**

This is a great program for people beginning to think about "what's next?" It's like a continuing ed class for community as it covers cohousing finances, design, and other topics presented by professionals and people living in cohousing. The weekend program concludes with a private tour of an existing local cohousing community. We'll send details when registration opens or keep an eye on our [EVENTS](#) page.
